Cookie Policy

Privacy Policy

This website, like most websites, uses cookies to better user experience while visiting the website. As required by legislation, where applicable this website uses a cookie control system, allowing the user to give explicit permission to deny the use of/saving of cookies on their computer/device.

What are Cookies?

Cookies are small files saved to the user's computer's hard drive that track, save and store information about the user's interactions and usage of the website. This allows the website, through its server to provide the users with a tailored experience within this website. If you wish to deny the use and saving of cookies from this website on to your hard drive, you should take necessary steps within your web browsers security settings to block all cookies from this website and any external links or use the cookie control system on your first visit.

A cookie will save enough data to your hard drive to track and monitor your engagement and usage of the website, but it will not store, save or collect personal information.

You can learn more about cookies and following third-party website: http://www.allaboutcookies.org/
